Dear Hal,

Please find enclosed two issues, May and June, of The Continuing Inquiry. In the May issue is my "Roger Craig and 1984" article. In the June issue is my "Where Have All The Bullets Gone?" article. I did the best I could as an "independent". You are cited in the latter article at the end. Jones did not publish the footnotes but I have enclosed them for your benefit.

I hope you are well. SASE enclosed.

Are you aware of House Resolution 160 - declassify HSCA materials?

Sincerely,
Edgar T. Tatro
